

**To all teamleaders and coaches  
of the nations already entered to Techno European Championship 2023**

**Dear friends,  
This letter to point out some important news about the forthcoming  
Europeans.**

**Arrival:** All coaches are invited to send a mail to [segreteria@circolosurftorbole.com](mailto:segreteria@circolosurftorbole.com) and inform when they will arrive in Torbole (date and time).

**Parking trailers/vans and coach boat mooring:** There will be a specific parking for trailers and vans situated not far from the host club and places for the mooring of the boats. We will give you detailed information as soon as possible, so stay tuned and check our website at: [Techno 293 Europeans – Circolo Surf Torbole](#)

**Support boats:** Support boats shall be registered at the race office of Circolo Surf Torbole. Private motor boats are not permitted on this section of the lake without the "temporary permission" granted through the host club. This permission is free. The drivers shall show the following documents:

1. Navigation license for motors with 40.8 or more; otherwise identity card or passport;
2. Boat insurance;

with the permission each coach will receive an identification sticker to stick on the boat and a flag. For the flag the club will ask a deposit of 30,00 euro. Please send in advance the documents of the boat and the filled permission (attached) per mail at: [segreteria@circolosurftorbole.com](mailto:segreteria@circolosurftorbole.com). It's forbidden to moor the boats in the harbor close to the club.

**National flags:** we remember you that it's necessary you bring a national flag of your country. This flag will be very useful during the parade through the town for opening ceremony the 15<sup>th</sup> of May. Moreover these flags will show the places in which every nation will store its boards and equipment.

### General information:

We suggest all coaches to have thermos for hot beverages on the boat and water bottles.

We are trying to be as eco-friendly as possible. **DON'T FORGET THAT OUR TAP WATER IS DRINKABLE.**
